Digital Oven/Meat Thermometer with Timer & Alarm

## Description

---

The Digital Oven and Meat Thermometer is designed to either give you a reading of your ovens current temperature or can be inserted into meats being cooked in the oven.

**Oven Temperature:** To measure temperature of your oven simply place the probe inside your oven on a shelf, close the door and the base unit will display the temperature in the oven. Ideal for baking where correct temperature is essential. Once you use it you will never trust your ovens dial again. The boss has one and his ovens dial is 20°C out.

**Meat Thermometer:** The probe can be inserted into your meat or poultry and placed into the oven. The base unit will display the current temperature of your roast so you will know when it's done to perfection.

You can set an alarm to sound when a minimum or maximum temperature is reached, ideal for roasting.

Also features a handy timer so you don't forget about those cakes or bread.

The cable is 1m long so you can stand the base unit on your worktop or with it's magnetic back stick it to the oven door.

### Technical Specification

- Temperature range: -10°C to 200°C
- Probe type: 160mm Penetration probe with a 1 metre heat resistance cable
- Min/Max function
- Measurement: °C or °F
- Pre-set temperature alarm
- 12/24 hour clock with timer
- Dimensions: 120 × 65 × 10mm
- 1 x AAA battery included
- Warranty: 1-Year
- Manufacturer: TFA

## Additional Information

Brand	TFA Dostmann
Timer	yes
Temperature	yes
Cabled Probe	yes
Calibration	Can Be Calibrated
Dew Point	no
Clip-On	no
Cable Length	1 Metre
Auto Switch Off	no
Freezing Zones	no
Handheld	no
Water Resistant	no
Waterproof	no
Protective Case	no
Probe Temperature	yes
Ideal Heating Temperature Indicator	no
Hold Function	no
Stopwatch	yes
Size : Width	7cm
Size : Height	12cm
Size : Depth	7.6cm
Clock	Manual
Temperature Range	-10 to 200°C
Temperature Accuracy	+/- 1°C
Measuring Units	°C & °F
Power	Battery

Probe Type	Cable Probe
HACCP Compliant	no
Warranty	1 Year
Min/Max Readings	yes
Comfort Level Indicator	no
Min/Max Reset	yes
